Please read the following and sign below that you have read and understand this regulation:

- A. All owners of the above types of vehicles are required to purchase a CRRA Registration Plate and to display the plate on the rear of the vehicle. Operating one of these vehicles without this registration plate will result in a notice of violation being issued. The registration fee is \$10
- B. All of these vehicles require a licensed, properly insured driver and are restricted for use only on CRRA common roads, except Golf Carts which are allowed to be driven in any CRRA park.
- C. CRRA recommends the wearing of helmets whenever operating or riding on all the above vehicles, except Golf Carts.
- D. If any of these vehicles are operated at night, they must be equipped with all appropriate operating lights and must be in working order.
- E. Drivers are expected to operate these types of vehicles the same as any other motorized vehicle. Safely, properly and only on CRRA common roads. Operating these vehicles on CRRA common areas other than roads will result in a notice of violation being issued to the operator and/or property owner.
